

DRAFT AGENDA (version 21.09.2011)

16th Meeting of National Air Quality Reference Laboratories

AQUILA

03 - 04 October 2011 @ JRC Ispra

(start 03rd October at 14:00, end 04th October at 17:00)

Item	Topic	Who?	Time (min)
1.	Welcome & approval of agenda	Borowiak, Mathe	15
2.	Adoption of minutes of the 15 th meeting (N190)	Mathe	10
3.	The new ozone absorption coefficient and its consequences for networks	Peter Woods	20
4.	The UK project PM Pollution Climate	Dave Green	20
5.	European legislation: -update on air policy review - Implementation issues	Buzica	20
6.	Review of TSAP: Contribution of AQUILA - Review of 24 AQUILA recommendations - PM measurements: a) results of AEI questionnaire, b) PM monitoring experience from MS and CEN WG 15, c) natural sources guidance - New metrics/pollutants a) Black Carbon b) PM1/UFP c) NH3 -Definition of future roles of NRL and AQUILA (incl clarification on accreditation of networks and NRLs and intercomparison exercises) - Revise current DQO, propose DQO for new pollutants - clarification of current legal texts: i.e.provide	All	420

	<ul style="list-style-type: none"> - Siting criteria for monitoring stations, representativeness of monitoring, AirBase quality (incl flagging of past data). - Ozone precursors: where to measure, which method? Should VOCs be measured close to industrial sites in order to confirm emission inventories? - PAH measurements with/without ozone scrubbers. - AQD and EMEP monitoring: synergies - Combination of remote sensing, modelling and in-situ measurements in future assessments? (incl needs of modeling community) 		
7.	Update on 2011 JRC-WHO Intercomparison exercises	Barbiere/Muecke	10
8.	Update on FP7 project AirMonTech	Borowiak/Hueglin /Spano	15
9.	IE on source apportionment modelling, proposal for creating a network of dedicated advanced monitoring stations	Belis	15
10.	Work of CEN TC 264: - CEN Mandates	Hafkenscheid, Buzica	10
11.	Drafting and Discussion of recommendations of 17 th Meeting	all	15
12.	Future Workshops/ Conferences -AAMG air quality conference 12+13 December, London	all	5
13.	Date of next meeting	all	5
14.	AOB	all
